FREQUENTLY ASKED QUESTIONS
Is this a private tour?
Yes. Your road vehicle and driver-guide are reserved for your party. A local walk or boat activity may follow the host's operating arrangements; your quotation confirms this.

What does the price depend on?
From USD 390. Prices are subject to change depending on the number of travellers, accommodation selected, and season (low, high or peak). Contact our team to plan this itinerary.

Which accommodation is included?
This is a day trip, so no overnight accommodation is included. We can add a city or coast hotel on request.

Are arrival and departure hotels included?
Only nights explicitly listed in the programme are included. We can quote an arrival hotel and a final hotel separately. Do not count an airport drop-off as an overnight stay.

Can children join?
Share each child's age when enquiring. We check hotel room rules, vehicle seating and the suitability of any walking or boating activity. An adult must supervise children.

Are wildlife sightings guaranteed?
No. Animals move freely. Predators, flamingo numbers, migration herds and river crossings depend on season, weather and wildlife movement.

What should I bring?
Bring comfortable neutral clothing, a warm layer for early starts, sun protection, a reusable water bottle and a camera. Keep baggage compact and ask us to confirm vehicle space.

Can the route change?
Yes. We tailor the trip before booking. Weather, road access and park instructions may also require changes during travel. Any material price change is explained; the agreed written quotation is the booking reference.
