Please share your interests, walking comfort and preferred daily pace when you enquire so that the proposal reflects your needs.

Accommodation and practical planning

This is a day experience with no overnight accommodation. We confirm the services that are actually available for your dates before taking a booking. Tell us the number of adults, children's ages, dietary requirements and any mobility needs. Room layouts, vehicle access and activity participation requirements vary, so they must be checked for your own party.

Keep time between flights and the start of your programme. Road conditions, weather and local arrangements can affect the order of activities. Optional experiences are available only when separately confirmed; they are not automatically included because they are mentioned as possibilities. Our aim is a clear proposal you can understand before committing.

Your Questions Answered

Where does this experience begin?

The starting point is Karatu. Send your accommodation name so we can confirm pickup arrangements. Transport from another town or region may cost extra.

Is accommodation included?

No. This is a day experience. We can separately arrange a hotel or add it to a longer safari.

What can change on the day?

Weather, local access and the host or guide's arrangements can affect the order or extent of activities. We will explain any material changes before departure where possible.

Can children join?

Tell us the children's ages and any support needs. We will check walking demands, travel time and activity-specific participation rules before confirming a family booking.

What should I bring?

Bring sun protection, comfortable footwear, drinking water and weather-appropriate clothing. For a mountain day walk, add warm and waterproof layers and discuss altitude suitability in advance. Keep valuables secure and follow your guide's instructions.

What does the starting price mean?

The indicative starting price is USD 277 per person. The final quotation depends on dates, availability, party size and the exact services agreed.

What deposit is required?

The standard safari deposit is 20%, unless a different arrangement is agreed in writing. Your proposal will confirm the payment schedule and applicable booking terms before you pay.

Can you accommodate dietary or accessibility needs?

Tell us about dietary needs, allergies, mobility requirements and any equipment you use. We will check the specific vehicle, accommodation and activities with providers. Accessibility or halal arrangements are confirmed individually rather than assumed.

Can I customise this trip?

Yes. Tell us what you want to change: duration, pace, accommodation or additional destinations. Our team will explain the effect on travel time and prepare an updated quotation. Changes are subject to availability.

How do I enquire or book?

Use Booking Now or the Enquiry tab, email info@tartarugasafaris.com or WhatsApp +255 667 767 553. Include your dates, number of adults, children's ages and preferred travel style. An enquiry does not confirm a reservation.
