Your Tour Questions

Does a villa automatically include every activity?

No. The written quotation specifies the room, meals and visitor experiences included in your stay.

Where does the trip start?

Arusha, Moshi or Kilimanjaro International Airport; we confirm your precise pickup and return point before booking.

Is it a private trip?

Private transport can be arranged for your party. Some host-led activities may also welcome other visitors; exclusivity must be specifically confirmed.

How many travellers can join?

Any group size can enquire. We choose suitable vehicles and check activity capacity for your actual party.

Can children join?

Tell us every child's age. We check the host's rules, activity suitability and any supplier charges before confirming.

What meals are included?

As specified in your villa quotation. Dietary requirements should be shared when you enquire; substitutions depend on what the host can provide.

What should I bring?

Bring suitable footwear, drinking water, sun protection and a light layer. We send any activity-specific advice with your confirmed plan.

Is the experience wheelchair accessible?

Please describe the access you need. Vehicle entry, paths, toilets and the activity itself must be checked separately; we do not promise access before these checks.

What happens if the programme changes?

Weather, access and host availability can require a change. We explain the available alternatives and any price implications before confirming a revised arrangement.

How do I book and find the price?

Send your dates, traveller numbers and pickup location to info@tartarugasafaris.com or WhatsApp +255 667 767 553. We provide a written per-person quotation with the agreed inclusions.
