Your Journey

Day 1

Early start and crater descent

- Our driver-guide meets you at the confirmed pickup point and travels to the conservation-area entrance. After formalities, descend into the crater on the authorised route. Starting from Karatu reduces the approach compared with an Arusha departure.

Day 1

Crater game drive and picnic

- Explore permitted roads with your guide, pausing to watch wildlife and understand the crater landscape. Enjoy your packed lunch at an authorised stop. Sightings depend on the day; a rhino encounter is not guaranteed.

Day 1

Ascend and return

- Leave the crater within the allowed visiting period and return to your agreed drop-off. An Arusha start makes this a long day, so a Karatu overnight before the safari can be considered.

Your Tour Questions

Who can request this package?

Citizens of Tanzania, Kenya, Uganda and Rwanda can enquire. We check the applicable supplier and park fee category against accepted documents. Citizenship and residence are not interchangeable; mixed-nationality groups may have different fee components.

Where does the trip start?

Karatu preferred; Arusha by early-start arrangement; we confirm your precise pickup and return point before booking.

Does citizenship guarantee a discount everywhere?

No. Each park and supplier sets its own categories. We confirm the applicable rate and accepted proof before quoting; privately operated attractions may use different rules.

How many travellers can join?

Any group size can enquire. We choose suitable vehicles and check activity capacity for your actual party.

Can children join?

Tell us every child's age. We check the host's rules, activity suitability and any supplier charges before confirming.

What meals are included?

Lunch as specified. Dietary requirements should be shared when you enquire; substitutions depend on what the host can provide.

Which documents should I bring?

Ask us which original identification is accepted for your exact itinerary. Keep the documents available for entry checks. Do not send passport copies through a public website form.

Is the experience wheelchair accessible?

Please describe the access you need. Vehicle entry, paths, toilets and the activity itself must be checked separately; we do not promise access before these checks.

What happens if the programme changes?

Weather, access and host availability can require a change. We explain the available alternatives and any price implications before confirming a revised arrangement.

How do I book and find the price?

Send your dates, traveller numbers and pickup location to info@tartarugasafaris.com or WhatsApp +255 667 767 553. We provide a written per-person quotation with the agreed inclusions.
