Your Journey

- Explore on the confirmed game-drive programme with your guide, allowing time for patient wildlife observation. Discuss departure times, breaks and meals the evening before. Shared camp vehicles or private use must be specified in your quotation. Optional specialist activities are not automatically included.

Day 3

Nyerere • Habitats And Landscape

Your Tour Questions

Are both flights included?

The final quotation must explicitly include the named outbound and return domestic flights, relevant airport and airstrip transfers, and any inter-park connection. We confirm the operating route and total before booking.

Which airport and airstrip will we use?

Your confirmation names them. Arusha Airport is not Kilimanjaro International Airport; similarly, different safari airstrips can be far apart.

Are flights nonstop?

Not necessarily. Scheduled safari services can make intermediate stops, and some journeys require a connection. The actual routing is checked before ticketing.

What baggage is allowed?

Use the allowance and bag requirements of the booked carrier and aircraft. Camera equipment, oversized bags and mobility equipment need advance discussion.

Is the game-drive vehicle private?

Only if the quotation says so. Some camp-based programmes share vehicles with other guests.

Will we see a migration river crossing?

No particular sighting is guaranteed. Seasonal Serengeti routing is planned around the area you want to visit and current camp and airstrip operations.

Are walks, balloons or boat trips included?

Only if specifically listed and confirmed for the park, provider, conditions and traveller eligibility.

What if a flight changes?

We review the transfer and accommodation implications with the carrier and suppliers. The applicable ticket and booking terms govern changes; an onward connection is not automatically guaranteed.

Can we change the return destination?

Yes, enquire about Zanzibar, Arusha or another suitable connection. Routes, availability and prices must be rechecked.

How much does the trip cost?

Price on request. Tell us dates, traveller numbers and comfort preference for a quotation that identifies the flights and room-sharing basis.
